Tapers & Sealing

Our proven selection of taping products provides you with everything necessary to tape, cut, seal and secure your boxed products and supplies. When it has to be safe and tamper-proof, depend on the taping solutions that continue to set the standard for the industry.

Tapers -Water Activated Tape

- **TD2100 Electric Taper - Electric Efficiency.™**

The TD2100 Electric Taper comes in 6 models, covering short, standard, and long cuts with the choice of 110V or 220V power.

Premium models not only offer 10 pre-set selectable lengths, but with the use of the “NUM LOCK” key provides option to input custom lengths ranging from 5” to 99” in 1” increments.

- All new “Apex” design guillotine style cutter. Made of 420HC Stainless Steel. Long life and requiring very little cleaning and adjustment.
 - **70 oz** water bottle increases production “Up Time” with fewer refills. Largest bottle in the industry!
 - Tactile keypad with LCD display of lengths.
 - 12 gauge, all metal chassis construction, powder coated industrial gray.
 - A rubber valve reduces water spillage.
 - NEW wide track 1.5” feed roll and pinch roll using a high coefficient of friction urethane to ensure accurate and quiet tape feed through.
 - Built-in all metal adjustable tape channel guides. All metal construction, easy to adjust with built-in thumbscrew feature for centering tape roll. “Open Basket” design allows for easy viewing of remaining tape roll and easy drop-in reloading.
 - Accommodates up to 1000 foot (305 meter) tape roll (max roll diameter is 9” (222.6mm).
 - Standard 18 month limited warranty.
 - Certified to **CE and to UL 60950; CSA C22.2.**
- **TD2100 Hand Taper - Simply Dependable.™**

The TD2100 Classic Manual Taper comes in 4 models, with the choice of inch or metric scale and an optional 110V or 220V heater.

Consider... the Value of Trouble-Free Operation

The TD2100 Manual Hand Taper gives steady, trouble free operation, and it’s packed with the features and quality construction Marsh customers expect.

- All new design guillotine style cutter. Made of 420HC Stainless Steel. Long life and requiring very little cleaning and adjustment.
- NEW! BIGGER IS BETTER!!! 70oz water bottle increases production “Up Time” with fewer refills. Largest bottle in the industry!
- 12 gauge, all metal chassis construction, powder coated industrial gray.
- A rubber valve reduces water spillage.
- NEW wide track 1.5” feed roll and pinch roll using a high coefficient of friction urethane to ensure accurate and quiet tape feed through.
- Built-in all metal adjustable tape channel guides. All metal construction, easy to adjust with built-in thumbscrew feature for centering tape roll.
- “Open Basket” design allows for easy viewing of remaining tape roll and easy drop-in reloading.
- Accommodates up to 1000 foot (305 meter) tape roll (max roll diameter is 9” (222.6mm).
- Standard 18 month limited warranty.
- **Models with Heaters are Certified to CE and to UL 60950; CSA C22.2.**

Specifications:

- Tape Lengths-5" (127 mm) to 36" (914 mm)
- Shipping Weight- 31 lb (14kg)
- Electrical (for heater models)- 110/120 V, 50/60 Hz or 220/240V, 50/60 Hz.

Tapers – Pressure Sensitive Tape

- **Model 902**

The model 902 is a 2-inch hand-held carton sealer with replaceable precision blades that handles 2-inch wide poly and reinforced tapes with up to 5-1/2 inch diameter rolls.

- **Model 922**

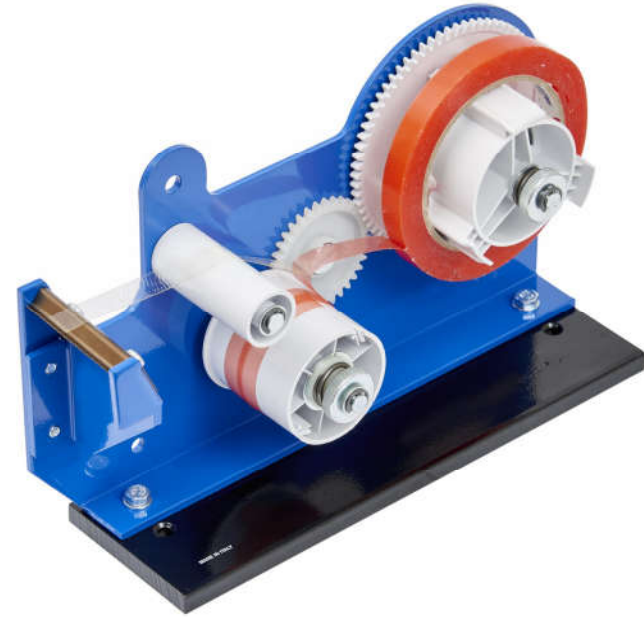

Our model 922 is a 2-inch bench dispenser with *replaceable serrated blade* that cuts all non-reinforced tapes quickly and cleanly. This model's design uses a 2-inch wide tape with a maximum roll **diameter up to 5-1/2 inches**.

- **Model 926**

The model 926 is a **double-face** bench tape dispenser. It uses double-sided tape, or other tapes with removable backing strips of PVC or treated papers. This model holds up to 2-inch wide tape with a maximum roll **diameter up to 7-1/4 inches**.
